Bailey Elected Superintendent of School Union

School Union 22 announces the election of Hamilton R. Bailey as Superintendent of Schools beginning on Sept. 1.

Mr. Bailey, 57, served as Superintendent of the Seekonk-Rehoboth (Mass.) School Union starting in 1950. He was responsible for the operation of nine schools with a pupil population of 2000 and a staff of 100 teachers and other personnel. In 1953 the towns divided due to fast-growing populations and Mr. Bailey continued as Superintendent of Rehoboth, the larger town, until Rehoboth joined a School District

Previously he had served two years as head of the science department at Monson Academy, Monson, Mass., fourteen years as principal of the high school in Townsend, Mass., and seven years as principal of the high school in Orange. Mass,

During the past year he has been District Sales Manager for Field Enterprises, one of the leading educational publishing companies.

The Selection Committee received excellent recommendations from the towns which Mr. Bailey has served. His education is extensive in a broad range of subjects relating to education and administration. In addition to degrees in science and laws he received his Master of Education degree in

The educational program in Rehoboth has been described as one of the best in that area. He has also been active in developing school extra-curricular fairs. Among these, he was founder and chairman of the Small School Basketball Tournament and the Tri-State Bas-ketball Tournament.

was made even more enjoyable Mr. and Mrs. Balley have wanted to move back to Maine, where they lived until graduating from Bates College together in 1925, Mr. Bailey came from Dresden and his wife, Ellen, from Auburn. She has teaching in Rehoboth. They have one married daughter, who teaches at Wheaton College. Living with them are two nieces, Mary Sargent, 18, a sophomore at Bridgewater State College in Massachusetts. and Nancy Sargent, 16 who will be a junior at Gould Academy

SCHOLARSHIPS AWARDED UNIVERSITY FRESHMEN

Two hundred and eighteen incoming freshman students at the University of Maine have been awarded scholarships for the 1962-63 college year, it was announced Friday by Robert C. Worrick, director of student aid for the State University.

Worrick said the total value of the 218 scholarships was \$71,240, representing awards from 17 scholarship funds.

"We don't doubt there are some bad doctors; the AMA is vast membership, disciplining those who take too easy a view of the profession's high stan-

"But the record of the past couple of decades eloquently reflects the wisdom of entrusting the medical profession with its assigned tasks and the freedom to carry them out in its own way. One by one the great scourges - diphtheria, small-pox, typhoid, pollo, tuberculosis=have been or are being wiped out. Cancer's days are clearly numbered, heart discase is under vigorous and effective attack.

"A single statistic....sums up the progress: If the 1937 death rate were still operative,

"These results did not just hard work, of dedication, and service above and beyond the normal scope of duty brought them about,"

This is what the record shows, and all the political attacks we have seen and will yet see can't change it. Political tinkering with U.S. medicine is a menace.
